**Electronic Calculators**

Candidates sitting the paper(s) listed below are permitted to use calculators. Unless otherwise prescribed by the examiner(s), candidates can only use the approved models of calculators as announced by the Examinations Secretary (www.exam.hku.hk). Additional instructions from examiners (if any) are listed in the following section “Printed/Written Materials/Special Notes”.

It is the candidates’ responsibility to ensure that their calculator operates satisfactorily, and candidates must record the name and type of the calculator used on the front page of the examination script.

- COMP7502 Image processing and computer vision
- COMP7903 Digital investigation and forensics
- COMP7904 Information security: attacks and defense
- ELEC6098 Electronic and mobile commerce
- MECH7012 Principles of engineering management

**Printed/Written Materials/Special Notes**

- COMP7502 Image processing and computer vision
  - Candidates are permitted to bring to the examination ONE sheet of A4-sized paper with printed or written notes on both sides.

- COMP7903 Digital investigation and forensics
  - This is an open book examination. Candidates may bring to their examination any printed/written materials.

(Ms.) Judy Cheung
Examinations Secretary

July 2018
